Dear Parent/Carer

Trip Day - Monday 22 July 2024

As we reach the end of a busy half term, we are thrilled to unveil a series of exciting and enriching school trips that promise to be both educational and unforgettable. These trips, which students suggested through student voice, are designed to provide our students with unique experiences, foster personal growth and create lasting memories.

All trips taking place on Monday 22 July and are open to all students in years 7-10. In order to give you time to discuss these with your child we are giving you advance warning that the trips will go live on ParentPay on **Monday 25 March**. Deadline for payments is **Friday 19 April**.

In order to secure a place for your child, the trip will need to be paid in full. As the number of places on each trip are limited, places will be available on a first-come first-served basis. Due to this availability we cannot guarantee that students will be grouped with their friends so students need to be aware of this when making their decisions as payments are non-refundable. We hope that as many students as possible will be able to make the most of these opportunities, but for those who do not wish to, there will be activities organised onsite.

A reminder of the trips going live will be sent via Synergy, we highly recommend that if you haven't done so already, you download the Synergy app in order to get the notification instantly.

Below is the list along with costs of each trip:-
