

18 January 2023

Dear Parent/Carer

I am writing to inform you that your child has been selected for an English intervention progress group based on their November mock exam results.

The students have been selected as their English teachers believe that they can make further progress in the next set of mocks with extra support and focus. Students will not need to attend any extra after-school sessions, they will simply be asked to set themselves 3 targets to work towards to help them make progress in preparation for the next set of mock exams. Teachers will complete a report after every lesson which your child will bring home with them. There is also a section for a parent/carers response, if you would look through the report weekly and add a comment, we would really appreciate your support.

Following the March mock exams, we will review the progress of the group, and students who have engaged will be rewarded with a trip.

The English faculty are dedicated in supporting every student to achieve their target grade. We would like to continue to work with you to enable this.

Thank you for your continued support.

Yours sincerely

Mrs K Cook
