Dear Parent/Carer

WJEC Level 1 / 2 Award in Hospitality and Catering

I am writing to update you on the Year 11 Hospitality & Catering class. Students have been working on their written assessment which is the NEA (coursework). It is really important for them to focus during the written element of their NEA and work on areas of development in order to gain marks needed to secure their grade. The NEA deadline is Friday 17 March.

All students completed their unit 1 examination when they were in Year 10. Some students are retaking this examination this summer. Those who will be doing this are aware.

We have been completing a mock version of the coursework over the past several weeks. As part of this we will be completing a mock practical exam to prepare the students for their final practical exam. The mock practical will take place on **Wednesday 1 and Thursday 2 February**. As will be the case in their final exam, students have been split into two groups for ease of access and movement around the kitchen. These groupings have been put onto Google Classroom and have been communicated to students.

Finally, and most importantly, once the students have completed their coursework, they will have the final practical examination. **This will take place week commencing 24 April.**

If you have any further questions, please don't hesitate to contact me.

Thank you for your support

Yours sincerely

Miss J Oliver
