

15 March 2023

Dear Parent/Carer

Year 10 Parents' Evening - Thursday 30 March

Thank you for your support last Friday with our transition to remote learning due to the adverse weather conditions. I apologise for the short-notice cancellation of the Year 10 Parents' Evening last week for the same reasons, the decision was taken in the interests of safety for all.

Parents' Evening has now been rearranged for 4pm - 7pm on Thursday 30 March. I ask again for your support in attending this important event to discuss your child's education. Your existing appointments will be rescheduled automatically for this new date, therefore no action is required on your part. Should these no longer be convenient, please log into [Synergy](#) and view the updated availability in order to reschedule, before Wednesday 29 March at the latest.

Should you have any further questions, please contact your child's Achievement Leader, Mr Bentley at danielbentley@heanorgatespencer.com.

Yours sincerely

Mr Jones
Principal
