Dear Parent/Carer

Immersion Day 3 - Thursday 22 June 2023

As part of our final immersion day of the year, we are offering Year 9 students the chance to take part in a range of exciting faculty based trips. These trips have been selected to offer your child enriching experiences where they can develop their knowledge and skills outside of the classroom.

The trips on offer are listed below:

Trip	Details	Cost	
Science: Go Ape - Coventry	Students will spend time exploring the forest canopy on a treetop high-ropes course as well as engaging in a range of games to help build teamwork and communication.	£30.00	Children must be at least 1.2m tall to take part in this trip.
DTVA: Yorkshire Sculpture Park	Students will spend the day exploring an amazing range of sculptures in the beautiful 500-acre grounds.	£12.00	Strongly recommended for students taking Art or Photography at GCSE
PEPA: Etihad Stadium - Manchester	Students receive a full stadium tour, following a player's build-up from pre-match activity through to matchday and beyond.	£21.00	Strongly recommended for students taking PE or Sports Science at GCSE
Computing: National Videogame Museum - Sheffield	Students will have a workshop on pixel art and designing videogame characters before exploring the videogame galleries.	£15.00	Strongly recommended for students taking Computer Science or Creative iMedia at GCSE

To give consent and to pay for the trip your child would like to attend, please login to your child's ParentPay account. Payment needs to be made by Thursday 20 April 2023. Please note that numbers are limited for each of these trips so places will be allocated on a first come, first served basis. Your child may wish to have a 'reserve' trip in mind in case their first-choice is not available.

Once we have final numbers for the trips, the visit leaders will be in touch with specific details around timings.

Students who do not wish to go on a trip will be expected to attend school and will take part in school-based activities during the immersion day.

If you have any questions, please contact your child's achievement team in the first instance.

Yours sincerely

Mrs L Mills
Vice Principal
