

19 April 2023

Dear Parent/Carer

WJEC Level 1/2 Award in Hospitality and Catering

I'm writing to update you on the Year 11 Hospitality & Catering class and what they are working on/towards. Students have been working on their final written assessment which is the NEA (coursework). The NEA deadline has passed and we are now making final preparations for the practical examination.

All students have completed their Unit 1 examination in Year 10. However, some students are retaking this exam in the summer of this year. Those who are retaking this exam are aware. Lessons will be tailored towards revision for this after they have completed their practical exam.

Finally, and most importantly, now that students have completed their coursework, they will have the final practical examination. This will take place on **either 26 or 27 April 2023**. To give students the best possible chance of success, we have split the students into two groups so they will have more space around the kitchen. The groupings will be given out during tutor time and via Google Classroom.

If you have any further questions, please don't hesitate to contact me.

Thank you for all your support.

Yours sincerely

Miss Oliver
