

25 April 2023

Dear Parent/Carer

2023 NTU Year 9 Summer Residential

I am writing to you to inform you of an opportunity that has been offered to Year 9 students through Nottingham Trent University.

They are offering an experience of university life for Year 9 students over the summer holidays. The residential school has been offered to a number of schools in the Derby and Nottingham area, with only a few being selected. The residential will run from Monday 31 July - Tuesday 1 August 2023 and would be a great opportunity for any students considering going to university.

For an overview of what the residential includes please watch the following video:-

<https://www.youtube.com/watch?v=hjOkSkYuzNU>

Students will be expected to collect an application form from the Achievement Team if they wish to apply. We also ask that parents/carers complete the the following link:-

<https://ntusurvey.onlinesurveys.ac.uk/nottingham-trent-university-year-9-summer-residential>

There are 10 places available for this opportunity and if your child is interested we ask that their application is handed back to the Achievement Team by Wednesday 26 April 2023 and that the parental link has been completed. Once the university has passed on the applicants to us we will then confirm who has been successful for the 10 places.

Your sincerely

Miss L Hulland
Achievement Leader - Year 9
