

2 May 2023

Dear Parent/Carer

As part of the GCSE Geography course, students are required to participate in fieldwork. The work carried out will allow them to access Paper 3, which is based on geographical applications and fieldwork.

Students will be participating in fieldwork on Immersion Day, Thursday 22 June 2023. This will be the physical fieldwork day where they will be investigating the changes in sand dunes at Theddlethorpe near Mablethorpe. They will be working in small groups under direct supervision from our staff and will be carrying out different tasks in various locations at the beach.

Students will need to ensure that they wear sensible clothing suitable for the weather forecast. They will need to bring a packed lunch and plenty of snacks and water for the journey and throughout the day. **Please be aware that we have students who may be participating in this trip who have a serious nut allergy. Please avoid giving your son/daughter bagged nuts or products with a nut content, as even the smell can cause these students anxiety.** If your child is in receipt of free school meals and requires a packed lunch on the day, please order one via ParentPay.

As students will be working in an environment that is unfamiliar to them, we would expect that they work with respect for the environment that they are working in and adhere to the guidance given to them by the member of staff that they are working with, in order to keep them safe and to allow them to achieve the best possible results from the day.

We will be leaving school at 8.15am prompt and will return by approximately 5.00pm. The cost of the trip is £12, to cover the cost of coach transport. Please pay via ParentPay by Friday 26 May 2023.

Whilst we endeavour to accurately forecast the cost of trips, in the unlikely event that costs fluctuate and result in a surplus remaining at the end of any trip, details of this and any right to refund will be communicated with you at the end of the trip.

Please do not hesitate to contact your child's geography teacher if you have any queries.

Yours sincerely

Mrs C Meakin

Head of Geography
