

2 May 2023

Dear Parent/Carer

As part of the Immersion Day on Thursday 22 June, your child will be visiting the Thackray Museum of Science in Leeds.

The museum is an opportunity for students to revisit information from their Medicine through Time section of the course. They will be able to wander through the grimy streets of Victorian Leeds, watch gruesome operations taking place in our 19th-century operating theatre, visit a seventies-style sexual health clinic, chart how well the world responds to crisis and discover the medical innovations that changed the world.

Students will need to be at school for 8.45am and will return at 3.00pm. They will need to be in their school uniform, bring a packed lunch and school equipment including a pen, pencil and ruler. **Please be aware that we have students who may be participating in this trip who have a serious nut allergy. Please avoid giving your son/daughter bagged nuts or products with a nut content, as even the smell can cause these students anxiety.** If your child is in receipt of free school meals and requires a packed lunch on the day, please order one via ParentPay.

The cost of the trip is £21. Please login to ParentPay to make a payment. Whilst we endeavour to accurately forecast the cost of trips, in the unlikely event that costs fluctuate and result in a surplus remaining at the end of any trip, details of this and any right to refund will be communicated with you at the end of the trip.

If you have any questions or concerns please contact myself or your child's Achievement Leader.

Yours sincerely

Mrs K Barlow
Head of History
