Dear Parent/Carer

Paris & EuroDisney Trip

July is fast approaching and we are looking forward to the Paris trip later this summer.

On **Thursday 15 June** I will be holding a parents' information meeting for students and parents/carers. This will be held in the **Sixth Form Common Room** and will start at **5pm** and will last for approximately 45-60 minutes. There will be information about the journey, what to pack, pocket money, the trip itinerary, hotel details, hoody orders, room allocations and behaviour expectations.

It is highly recommended that both student and parent/carers attend this meeting. Students will be reminded of this during tutor time.

Please ensure students have completed the pre-trip information form and have a passport/ EHIC card.

If you are unable to attend the meeting, please let me know. In the meantime, if you have any questions or concerns, please contact either Mr S Brown who is the deputy trip lead or myself.

Yours sincerely

Miss J Oliver- Trip Lead
