

June 2023

Dear Parent/Carer

I hope this letter finds you well.

The purpose of my letter is to introduce myself as the new Achievement Leader for Year 7. I have introduced myself to our students and explained how I am here to support their academic and pastoral achievement throughout our time together at Heanor Gate.

Students are currently undertaking a fortnight of end of year assessments. A report will be provided following assessments, with a written summary based around our Team Heanor Values. I would like to take this opportunity to say that we are aware of the pressure many students feel around 'Assessment Points' and the impact this can have on student wellbeing. The Achievement Team and the Tutor Team will be speaking to students about these concerns and doing what we can to reduce the examination pressure students may feel, so that they have the support necessary from home and school.

Finally, on Monday 12 and Tuesday 13 June, Year 7 students will be based in computer rooms during tutor time to help them set up 'Unifrog' accounts ready for a careers event later in the school year.

I look forward to meeting you all in due course and ensuring the very best support for our students at home and at school.

Thank you for your continued support.

Yours sincerely

Mr H Mann

Achievement Leader - Year 7
