

7 September 2023

Dear Parent/Carer

Re: Update and Year 11 Learning@ Event

It has been brilliant to see the year group return to school and they have hit the ground running. The students have returned to what is now officially an 'Outstanding' school and I hope that their attitude to learning and outcomes throughout the year continue to reflect this.

The link between home and school is absolutely pivotal during Year 11 and, therefore, I would like to invite you to the Year 11 Learning@ event on Tuesday 12 September 2023 6.00pm-7.15pm. This is a crucial information evening where you will be given the tools and information to help your young person succeed throughout the academic year, leading up to their GCSE examinations.

What to expect from the Year 11 Learning@ event

In line with our values of aspiration and achievement, we know that parents will want to know how they can support their child as we face the new school year together and countdown to their GCSE exams. In order to do this we will be offering parents/carers year group-specific advice and guidance which will cover the following areas:

- Dates of key assessments and guidance around how you can help your child in preparing for these
- Review of Year 10 mock exams
- Achievement Team update and priorities for the year
- A summary of how parents can support their child's progress both personally and academically
- An overview of what your child will be covering in their core subjects
- Subject-specific guidance about how to support your child's progress
- Other key events and dates to be aware of during the coming academic year
- An overview of your child's post-16 options
- An opportunity to ask any questions you may have

Please click on this link to confirm whether you will/will not be attending this event:-

We know this is going to be a key year in shaping the lives of the year group. I look forward to seeing you next Tuesday.

Yours sincerely

Mr D Bentley
Year 11 Achievement Leader
