Dear Parent/Carer

Re: 'Learning@Heanor Gate' Event

First of all, I would like to take this opportunity to thank you for your continued support, in particular in ensuring your child returns to school equipped and ready to learn.

We continue our collective journey together striving for the best possible progress for each and every student throughout this new academic year, in what will be a very rewarding, but no doubt demanding, year for them.

What to expect from the 'Learning@Heanor Gate' Virtual Event

In line with our values of aspiration and achievement, we know that parents/carers will want to know how they can support their child as we face the new school year together. In order to do this, we will be offering you year group-specific advice and guidance which will cover the following areas:

- Dates of key assessments and guidance around how you can help your child in preparing for these
- Pathway information
- A summary of how parents can support their child's progress both personally and academically
- An overview of what your child will be covering in their core subjects
- Subject-specific guidance about how to support your child's progress
- Other key events and dates to be aware of during the coming academic year

If you have any further questions which you feel have not been addressed in the above areas please contact the achievement team.

The learning @ virtual event can be found at:-

[New channel meeting-20230910_120517-Meeting Recording.mp4](#)

Please note that for any questions not relating to the above, or for any urgent enquiries, please contact the school in the usual way using the contact details shown at the top of this letter. As always the joint efforts of our students, staff and parents/carers will be crucial in making sure this year is a success.

Yours sincerely

Mrs M Britton
Year 9 Achievement Leader
