

September 2023

Dear Parent/Carer

WJEC Level 1 / 2 Award in Hospitality and Catering

I am writing to update you on the Year 11 hospitality and catering class and what they are working on and working towards. Students have started working on a mock NEA (coursework) which will continue over the coming weeks until we break up for the October half term holiday.

As part of this, we will be running a short mock practical session which will take place week commencing 16 October. This will be a two-hour practical and will run during periods 1 and 2. This will give students an idea of what their practical exam will feel like when they do this in January (letter to follow).

Students have been researching recipes and dishes that are suitable to meet different age groups regarding nutrition. As part of this mock practical, they will be asked to cook two dishes, plus accompaniments.

These dishes will then be graded based on overall preparation, cooking skills and presentation. The dishes being cooked are chosen by the students. They are spending time in lessons getting recipes and ingredients lists together and will be aware of what they need to bring. Pupil premium students will pass on ingredients lists in time for us to order for them.

The dates and groupings will be added to Google Classroom this week, in order for students to plan practical ingredients.

If you have any further questions, please don't hesitate to contact me

Thank you for all your support.

Yours sincerely

Miss Goodberry
Teacher of Hospitality and catering
