

10 October 2023

Dear Parent/Carer

The Year 12 Public Services group are learning to navigate with a map and compass, as part of the course curriculum.

As an introduction to navigation, the students will be going to Shipley Park to complete an orienteering course which is permanently located within the park. Students will be placed into groups of three and remotely supervised. The groups will be in radio contact with staff throughout, using handheld radios.

The date of the orienteering is Thursday 19 October 2023. We will be leaving school via minibus at 9.10am and will return at 12.30pm.

Students may want to bring a packed lunch. **Please be aware that we have students who may be participating in this trip who have a serious nut allergy. Please avoid giving your son/daughter bagged nuts or products with a nut content, as even the smell can cause these students anxiety.**

Students should bring appropriate footwear and warm clothing. If the weather is inclement, a waterproof jacket can be provided by the public services stores, as well as walking boots if required.

Please login to ParentPay to give consent for your child to participate in this activity.

Yours sincerely

Mr M Jackson
Teacher of Entry to the Uniformed Services
