

October 2023

Dear Parent/Carer

I am delighted that your child has chosen to study the Level 2 Hairdressing and Beauty Therapy course. Students will gain a Level 2 qualification which is equivalent to a GCSE that includes practical assessment.

Students will need to purchase a hair and beauty tunic for the practical element of the course and will also receive a salon name badge. The tunics are £30 each. Please pay via ParentPay. Once payment has been made please click on the link below to complete the tunic order form/consent form:-

<https://forms.gle/cGfDjHcPIG46a3VM7>

The health and safety guidance for hair and beauty specifies that students must wear tunics for practical sessions and bring their equipment to every lesson. They must also wear flat, black, closed toe shoes, black trousers or black skirt with black socks/tights. Health and safety legislation also states that jewellery should not be worn and make-up must be kept to a minimum. Hair must be tied up, away from the face, and students must not wear artificial nails. If students do not meet these requirements, they will be unable to participate in practical sessions.

Should you have any queries regarding the course please do not hesitate to contact me.

Yours sincerely

Miss L McHugh
Teacher of Hair & Beauty
