

16 November 2023

Dear Parent/Carer

I am writing to inform you that your child has a mock exam in IT on Monday 4 December 2023.

All the content for the exam will have been taught before this point in preparation for the real exam which will be sat on Wednesday 10 January 2024.

It is important that your child begins their revision in preparation for the mock, as this will give us a clear picture of the likely outcome after sitting the real exam.

Revision can be completed in a variety of ways, please see below for a guide:-

- Google Classroom (IT)
- Workbooks
- ZigZag revision sheets (with questions and answers)
- Exam questions (found within presentations with answers)
- Notes (written in book or typed on computer)
- CSNewbs (a revision website with questions)

This will be their first exam they will have sat in Year 12, taking place 3 days after we return from the Christmas break. Therefore it is imperative that they begin their revision journey now.

Yours sincerely

Mr S Brown
