

15 November 2023

Dear Parent/Carer

I am writing to inform you that your child has a mock exam in Business Unit 1 on Monday 4 December 2023.

All the content for the exam will have been taught before this point in preparation for the real exam which will be on Wednesday 10 January 2024 (just 2 days after returning to school from the Christmas break). This will be their exam resit, which was first sat last summer. Therefore, it is imperative that they begin their revision now.

It is important that your child begins their revision in preparation for the mock, as this will give us a clear picture of the likely outcome after sitting the real exam.

Revision can be completed in a variety of ways, please see below for a guide:-

- Google Classroom (Business)
- Workbooks/worksheets
- Knowledge organisers
- Exam questions (found within presentations with answers)
- Notes (written in book or typed on a computer)

We strongly recommend your child attends the weekly intervention session starting this Thursday from 3.00pm-3.45pm in E6. These will run every week up until we break up for Christmas.

Yours sincerely

Mr S Brown
KS5 Lead Computing & Business
