

16 November 2023

Dear Parent/Carer

I am writing to inform you that your child has a mock exam in IT on Wednesday 6 December 2023.

All the content for the exam will have been taught before this point in preparation for the real exam which will be sat on Friday 12 January 2024.

It is important that your child begins their revision in preparation for the mock, as this will give us a clear picture of the likely outcome after sitting the real exam.

Revision can be completed in a variety of ways, please see below for a guide:-

- Google Classroom (IT)
- Workbooks
- eRevision (online platform paid for by the school)
- Exam questions (found within presentations with answers)
- Notes (written in book or typed on computer)
- CSNewbs (a revision website with questions)

This will be the first exam your child will have sat in Year 13 (taking place just four days after returning from the Christmas break). You will receive a separate letter if your child is resitting Unit 1 on Wednesday 10 January 2024.

Yours sincerely

Mr S Brown
KS5 Lead Computing & Business
