

December 2023

Dear Parent/Carer

WJEC Level 1 / 2 Award in Hospitality and Catering

I am writing to update you on the Year 11 Hospitality and Catering class. Students have been working on their NEA (coursework) over the past two weeks which will continue over the Christmas break and into January. Students have a combination of Google Classroom resources and paper resources to help them complete this.

As part of the NEA, we need to complete our three-hour practical exam. This is very similar to the mock practical exam that students completed earlier this year.

Students have been researching recipes and dishes that are suitable to meet their two target age groups – toddlers and adults and they have decided upon two dishes, plus side dishes/accompaniments. All of these will be prepared, cooked and presented in the three-hour practical exam taking place week commencing 22 January 2024.

As previously, students have been split into groups across the week to give them the best opportunity of success. These groups will be posted on the Hospitality and Catering Google Classroom in the coming days to ensure all students know the exact day they will need to bring in ingredients. I will also confirm this with them upon our return to school in January. If anyone has any questions or concerns regarding ingredients please let me know.

If you have any further questions, please don't hesitate to contact me via email at alexandragoodberry@heanorgatespencer.com

Thank you for all your support.

Yours sincerely

Miss Goodberry

Teacher of Hospitality and Catering
