Most children have been immunised against Tetanus, Diphtheria & Polio and Meningitis C as part of the childhood UK vaccination schedule. Guidance from NHS England recommends that your child now receives a booster dose of Tetanus, Diphtheria & Polio and Meningitis ACWY.

Information regarding these vaccines is available on the website below:

[MenACWY vaccine - NHS \(www.nhs.uk\)](https://www.nhs.uk)

You can also talk to your GP, Practice Nurse or contact us on the below number. If you do not wish for your child to have the immunisations, please complete a 'No consent' form.

Please be aware that if we do not receive completed consent forms, each young person will be assessed on an individual basis by a healthcare professional to self-consent and if deemed Gillick competent offered the vaccinations on the day.

If your child is outstanding their MMR vaccination and you would like for them to receive this vaccination, please contact our office on the number below.
