

January 2024

Dear Parent/Carer

Year 11 Education Evening - Monday 12 February 2024

I would like to warmly invite you to our Year 11 education evening on Monday 12 February, 5.30pm-7.10pm. The main aim of the event will be to provide you with guidance on how to support your child at home as they prepare for the upcoming March mocks and ultimately their Summer GCSE exams. The date of this evening has been carefully considered to maximise impact, taking place 3 weeks (including February half term holiday) before March mock examinations and therefore at a time when we would ask students to step up their independent preparations for these assessments and also those in the summer.

The evening will further build upon the school-home relationship already established at what I know you will agree is a crucial time for your son or daughter. Various resources will be distributed at the event and revision techniques discussed that are carefully tailored to your child's target grades. During the event you will also have the opportunity to discuss effective revision approaches in all of your child's subjects, with extended sessions from the English, maths and science leadership teams. In addition, there will also be members of the careers, SEND and wellbeing teams available for you to talk to.

I hope that you and your child will find this event hugely valuable and therefore your attendance at the event would be greatly appreciated. Please can you complete the following form by Monday 29 January 2024 to confirm your attendance and the number of seats required <https://forms.gle/y6TTymHiEXzJc15X9>

Should you have any questions regarding this event then please do not hesitate to contact me.

Yours sincerely

Mr R Graham
Assistant Principal
