

May 2024

Dear Parent/Carer

I am delighted that your child will be joining us on an exciting excursion to go ice skating and bowling in Nottingham on Monday 22 July 2024. Students will take part in two organised activities during the day, as well as having time to purchase food if they wish to do so. Students will need to bring a small amount of money for this. Students should arrive at school at 8.40am and will return to school at approximately 4pm.

Details of the activities are as follows:-

Ice skating

The ice skating rink is hired for just our school. Therefore, students will have the opportunity to use the full rink, from beginners to more experienced ice skaters. We ask that students consider clothing for the trip. The weather will be warmer outside the venue but colder inside the ice area - I would recommend bringing a warmer jumper or jacket which they can take off after the activity.

Bowling

Students will walk from one venue to the other so will need suitable footwear for this, trainers are recommended, and a waterproof coat in case it rains.

Students will be allocated set lanes for bowling.

Students should bring a packed lunch and any drinks or snacks they need for the day. **Please be aware that we have students who may be participating in this trip who have a serious nut allergy. Please avoid giving your son/daughter bagged nuts or products with a nut content, as even the smell can cause these students anxiety.** If your child is in receipt of free school meals and you have ordered one for them via ParentPay, they will be given this on the day.

Yours sincerely

Mrs L Hulland
Year 10 Achievement Leader/Trip Leader
