

June 2024

Dear Parent/Carer

As part of the trip day celebrations on Monday 22 July, your child will be participating in a trip to Shipley Park. This will be during normal school day timings.

Students will prepare a picnic in school before they leave and once they have walked to the park, will join in with planned activities.

Students will need to wear appropriate clothing and trainers or comfortable footwear. They will need a raincoat and sun cream, depending on the weather.

Yours sincerely

Mrs K Jepson

Senior Learning and Progress Assistant
