

June 2024

Dear Parent/Carer

As we approach the final full week of exams, I wanted to write to inform you of the plans for next week, alongside the upcoming leavers' events.

Study Leave

For the majority of students, next week will be their final week of exams, with only exams for statistics, music and hospitality and catering during week commencing 17 June 2024. This morning, students have received a timetable detailing their daily plans for next week, along with each PEF and exam. It is the first week where students will be allowed to leave school site early, which is applicable to Wednesday and Thursday in particular. Next week we are still providing targeted intervention during school sessions, as well as after school revision. Unless a student's timetable shows that they have no sessions in school, then they are expected to attend and absent sessions will be unauthorised. We believe that students being in school and having access to subject specialists whilst revising, is best for them..

Prom

Thank you to those that have already paid to attend the Prom on Friday 5 July. Payment for this event will close on ParentPay on Monday 10 June, as we will need to confirm numbers with the venue. Please note that we reserve the right to refuse admission to students on the night and that it is a cashless event. There will be an opportunity for students to buy professional photos on the night, should they wish to.

Leavers' assembly

Our leavers' assembly is scheduled to take place on Monday 24 June, with students arriving at 9.10am for a 9.15am start. Students must wear normal school uniform and may wish to bring an additional shirt for their peers and staff to sign. After the assembly there will be a box into which students can donate their blazer and tie should they wish. These will be used to support vulnerable students in other year groups and donations are very much appreciated. Those that have paid for a hoodie will receive this at the assembly.

Yours sincerely

Mr D Bentley
Achievement Leader - Year 11
