

11 November 2024

Dear Parent/Carer

Access arrangements

As you will already be aware, your child begins their Year 11 November mock examinations on Monday 18 November 2024. You will also be aware from previous communication that your child is eligible for specific access arrangements, which are designed to allow them to access examinations and assessments, thus showing what they know and can do, all without changing the demands of the assessment.

During the Year 11 November mock exams we will be carefully monitoring your child's use of their access arrangements across all of their subjects and will be encouraging them to make full use of them. Failure to use their arrangements would trigger a review of their entitlement, as they must reflect a student's normal way of working. We would, therefore, appreciate your support in reminding your child to utilise the access arrangements that have been put in place.

Should you or your child have any questions or concerns relating to their access arrangements then please do not hesitate to contact me.

Thank you in advance for your support on this matter and I wish your child the best of luck for their first set of mock examinations.

Yours sincerely

A handwritten signature in black ink, appearing to read 'K Pearce'.
