

November 2024

Dear Parent/Carer

Deadlines for A-Level PE Non-Examined Assessments (NEA)

As part of your child's A Level Physical Education course, a significant portion of their final grade comes from their NEA. This involves both practical performance and an in-depth analysis of performance coursework. To support your child's success, I want to outline the key deadlines and expectations for the NEA component.

NEA Breakdown

The NEA is divided into two parts:

- 1. Practical Performance (15%)**

Students must demonstrate practical skills in a competitive situation in their chosen sport, either as a performer or coach. This must be evidenced with video footage.

- 2. Evaluating and Analysing Performance for Improvement (EAPI) Coursework (15%)**

A spoken piece where students evaluate and analyse another student's performance, identifying strengths and weaknesses and strategies for improvement.

Please make reference to the OCR A-level Non-Examined assessment specification for information regarding each assessed sport - [OCR AS and A Level Physical Education NEA Guide](#)

Key deadlines

Please find the deadlines for the different stages of the NEA below:

- 1. Complete Draft written EAPI: (week commencing 18/11/2024)**

Students have completed a finished written draft of their EAPI coursework, this is essential for areas to refine before their first oral mock.

- 2. Mock Oral EAPI Presentations: (week commencing 9/12/2024)**

Students will have a fully assessed spoken mock of their EAPI with PE staff. This will be a one hour designated slot within this week.

- 3. Practical Evidence Submission 2: (week commencing 13/1/2025)**

Second submission of video evidence for students' chosen sport, meeting examination board requirements, must be submitted by this date.

- 4. Final Mock Oral EAPI Presentation & Final Practical submission deadline: (week commencing 10/2/2025)**

Students will have a final assessed spoken mock of their EAPI with PE staff. This will be a one-hour designated slot within this week. All final video evidence, meeting examination board requirements, must be submitted by this date.

5. Formal Video recording of EAPI (Submitted to OCR Moderator) : [w/b 24/2/25]

Students will do their formal video recording of their EAPI which will be recorded and sent to the OCR moderator as evidence.

Please ensure your child is meeting these deadlines and remind them of the importance of staying organised. If practical performance requires external participation (e.g. outside sports club), please help ensure they have opportunities to gather the necessary evidence.

Thank you for your continued support in your child's education.

Yours sincerely
