

22 November 2024

Dear Parent/Carer

Year 11 November Mock Exams – Mid-Series Update

I hope this letter finds you well. I am writing to update you on the progress of the Year 11 mock exams at the end of the first week, and I am pleased to report that we have seen a largely positive start to the series. Students have approached their exams with a commendable level of maturity and seriousness, which is a credit to both them and your support at home.

As of today, we are just over halfway through the November mocks, and I encourage students to maintain their focus and effort as they complete the remaining assessments, including investing time this weekend to prepare for these. As a reminder, to further support students during this crucial period, we are offering daily revision sessions after school 3.00pm-3.45pm, open to all Year 11 students. These sessions provide an excellent opportunity to reinforce learning, clarify doubts, and revise key topics, and we encourage students to make the most of them.

Looking ahead, I would also like to remind you to sign up for our Year 11 Parents' Evening, which will be held on **Thursday 12 December**. This is a crucial opportunity to discuss your child's progress and address any areas for development. Please use the Synergy platform to book your appointments. Should you encounter any issues with this system, do not hesitate to contact the school office for assistance.

Finally, a note regarding uniforms: while we were understanding about students wearing alternative footwear this week due to the challenging weather conditions, we expect all students to return to wearing their school shoes next week. We appreciate your cooperation in ensuring uniform standards are upheld.

Thank you for your continued support during this important period for Year 11. Should you have any questions or concerns, please do not hesitate to get in touch.

Yours sincerely

Mrs L Hulland
Achievement Leader - Year 11
