

December 2024

Dear Parent/Carer

I am pleased to be able to offer your child the opportunity to attend the Year 7 habitats and adaptations trip which supports the Year 7 science curriculum.

The trip is to Yorkshire Wildlife Park, Doncaster and will take place on Tuesday 4 February 2025, during our immersion day. We will be leaving school at 9.00am and returning to school at approximately 3.15pm.

Students do not need to wear uniform, but they will need to wear sensible clothing and footwear which is appropriate for walking and being outside all day. They will also need to bring a packed lunch. **Please be aware that we have students who may be participating in this trip who have a serious nut allergy. Please avoid giving your son/daughter bagged nuts or products with a nut content, as even the smell can cause these students anxiety.** If your child is in receipt of free school meals and requires a packed lunch on the day, please order one via ParentPay.

The cost per student is £17.00, which includes return coach travel and entrance to the zoo. Please login to ParentPay to make a payment by Friday 17 January.

Whilst we endeavour to accurately forecast the cost of trips, in the unlikely event that costs fluctuate and result in a surplus remaining at the end of any trip, details of this and any right to refund will be communicated with you at the end of the trip.

Students who do not wish to go on this trip will be expected to attend school as normal and will participate in school-based habitats and adaptations activities.

Yours sincerely

Miss L Bown

Teacher of Science
