Dear Parent/Carer

GCSE PE rock climbing filmed evidence

Thank you for your support so far in gathering evidence for your child either by taking them to additional climbing sessions or signing them up for our climbing trip. **Your child requires filmed evidence of knot tying.** This has been arranged to be done in school this week with Mr Jackson in the CCF block. Your child has been allocated Thursday 6 February, which reduces clashes with interventions and maximises the staff to student ratio. Once they have successfully collected filmed evidence of the knot tying they are able to leave.

All sessions will take place in the CCF block at 3pm.

I would recommend your child practicing at home and watching the refresher videos below to speed up the process after school.
