

26 February 2025

Dear Parent/Carer

We are incredibly impressed with the progress that all students have been making on their skill, sport and volunteering for their Bronze DofE. Participants should continue to upload their evidence for all three elements so they can be signed off prior to the expedition.

Below are after school sessions that participants must attend throughout March:-

Monday 3 March: Support for eDofE, how to get your assessors to sign off your activities, initial expedition planning. (Room E8, 3.00pm-4.30pm)

Monday 10 March: Basic first aid OR route planning and map skills (3.00pm-4.30pm)

Monday 17 March: Basic first aid OR route planning and map skills (3.00pm-4.30pm)

Participants will complete both first aid and route planning, dependent on their allocated groups, which will be established on the 3 March.

As mentioned in previous communications, these after school sessions are essential, to ensure students are up to date with their eDofE and are well prepared for the expedition.

We will have an additional eDofE update session on **Wednesday 7 May** to ensure participants are on track to complete.

I will be in touch again after Easter with further details of the sessions in June and information regarding the expedition in July.

As always, if you have any questions in the meantime, please feel free to contact me.

Thank you for your support.

Yours sincerely

Miss R Crawford
DofE Manager/Teacher of Geography
