Dear Parent/Carer

In the last data analysis, your child was rated RED on many of their subjects for consolidation of learning. This means that your child failed to complete the homework set to prepare for their assessments, resulting in a score that is below their expected grade or below what their teacher thought they could achieve.

As a result of this, I would like to invite them to a homework club from **Monday 12 May** to support them in completing their homework to prepare for their assessments. This will take place on:

Tuesday 13 May 3-3.45pm

Wednesday 14 May 3-3.45pm

Thursday 15 May 3-3.45pm

Monday 19 May 3-3.45pm

Tuesday 20 May 3-3.45pm

Wednesday 21 May 3-3.45pm

This will take place in E8, a computer room, and we will provide some snacks for them as it is the end of the day. It would be beneficial if your child attended as many of the sessions as possible.

We really want to encourage students who have struggled with homework independently to get support in school and ensure they are set up for success in their assessments.

If you have any questions, please feel free to contact me via email at kbarlow@heanorgatespencer.org.uk or by phone on the usual school number.

Yours sincerely
