

June 2025

Dear Parent/Carer

I am delighted that your child will be joining us on an exciting excursion to TeamWorks Go-Karting and Laser Quest on **Tuesday 22 July 2025**. Students will take part in two organised activities during the day. Details are as follows:-

Go-Karting

Students will be competing against each other in go-karts in an open race session on a twisty, 450-metre indoor racing circuit. Students will be driving karts which are suitable for junior drivers and they will be given access to balaclavas, helmets & race suits. They will receive individual lap time print outs which will make a great souvenir.

Laser Quest

Teamworks have a brand new, state-of-the-art, indoor laser tag arena where students will battle for supremacy in an exhilarating and unique laser experience. Multilevel venues, ramps, sniper holes, hidden rooms and perfect dark lighting will give our students an immersive experience like no other. Students will battle with up to 20 other players in a team format, where score cards will be given at the end.

Students should arrive at school no later than 7.40am and will return at approximately 2.00pm. Students will then be participating in an activity in school until 3.00pm (weather dependent).

Students should wear sensible, appropriate clothing and shoes for a day of sporting activities. Please ensure they have clothes which they can comfortably wear under racing suits and shoes that are safe to wear when operating a go-kart (no sandals, crocs or sliders). Due to the nature of go-karting and laser quest, clothes which are lightweight and fast wicking (breathable, fast drying sports clothes) would be appropriate.

Please be aware that students are not able to consume their own food or drink on Team Works premises. Students can bring their own water bottle only, which we advise they do. Students can buy food items at the venue. Please note that payment can only be made via card and we cannot provide any details of items/prices.

Students will be able to eat on the coach so we advise that students bring a packed lunch. **Please be aware that we have students who may be participating in this trip who have a serious nut allergy. Please avoid giving your son/daughter bagged nuts or products with a nut content, as even the smell can cause these students anxiety.** If your child is in receipt of free school meals and you have ordered them one via ParentPay, they will be given this on the day.

Yours sincerely

Mr J Chambers
