

June 2025

Dear Parent/Carer

I am delighted that your child will be joining us for the trip to the Silverstone Museum which is taking place on **Tuesday 22 July 2025**. Students will have the opportunity to explore the past, present and future of Silverstone and British motor sport. They will learn about the engineering and technology that has changed the world of motor sport, see real cars and bikes from the sports history, before exploring part of the retired circuit and potentially see what is racing around the track that day.

We will be leaving school at 8.30am and returning to school at approximately 4.00pm.

Students do not need to wear uniform but they do need to wear appropriate clothing and footwear for walking around the museum.

Students will also need to bring a packed lunch. **Please be aware that we have students who may be participating in this trip who have a serious nut allergy. Please avoid giving your son/daughter bagged nuts or products with a nut content, as even the smell can cause these students anxiety.** If your child is in receipt of free school meals and requires a packed lunch on the day, please order one via ParentPay.

Yours sincerely

Mrs E Parkin
KS3 Science Coordinator/Trip Leader
