

16 September 2025

Dear Parent/Carer

We have recently experienced a number of issues with traffic congestion on Kirkley Drive, the road leading to the school. Cars parked on the corner of the road have caused complete standstills, particularly when the bus is trying to access the school site. We are also concerned that this level of traffic is putting student safety at risk.

From Wednesday to Friday this week, we are excited to welcome a number of prospective Year 6 students for their taster days. This will further increase the volume of traffic around the school.

To help us keep traffic moving safely and to minimise disruption to our neighbours, we kindly ask that you refrain from driving onto Kirkley Drive to collect your child at the end of the school day.

Thank you for your understanding and support in keeping the school site safe and accessible for everyone.

Yours sincerely

Mr R Graham

Vice Principal
