

17 September 2025

Dear Parent/Carer

Year 11 Learning@ Evening - Monday 29 September 2025

I would like to warmly invite you to our Year 11 Learning@ evening on Monday 29 September. As alluded to in the start of term communication, the main aim of the event will be to provide you with guidance on how to support your child at home as they adapt to life as a Year 11 student and begin their preparations for the upcoming November mock exams. The date of this evening has been carefully considered to maximise impact, taking place 5 school weeks before the mocks and coinciding with the start of our wave 1 interventions. We ask that you arrive at 5.45pm, with the upfront presentation beginning at 6.00pm, followed by subject sessions and will conclude at 7.20pm.

The evening will further build upon the school-home relationship already established, at what I know you will agree is a crucial time for your child. Various resources will be distributed at the event and revision techniques discussed that are carefully tailored to your child's target grades. During the event you will hear more about the year to come and receive guidance on how your child should approach revision generally, with extended sessions from the English and maths leadership teams to support revision for these crucial subject areas.

The event is designed for students to accompany parents and we hope that you will find this event hugely valuable, therefore, your attendance at the event would be greatly appreciated. Please click on the link below and complete the form by Monday 22 September 2025 to confirm your attendance and the number of seats required:
