Dear Parent/Carer

As a school, we are committed to ensuring a calm, safe and positive environment where all students can learn and thrive. Your views as parents and carers are an important part of this process and will help us to reflect on what we do well and identify areas where we can continue to improve.

As such, we kindly ask you to take a few minutes to complete the short survey below by **Friday 23 January**:

Your feedback will help us assess key areas such as behaviour for learning, routines and culture. Your input is invaluable in helping us to continually improve the experience for our students.

Thank you in advance for your support.

Yours sincerely
