

January 2026

Dear Parent/Carer

Following on from the mock exams in December, we will be offering compulsory intervention sessions starting tomorrow - Wednesday 14 January. These sessions will last for 45 minutes and will take place in room J3 and will run for 6 weeks. There will be a rotation of geography teachers to ensure all of the content is covered.

The sessions will provide support for students, revision tips, as well as an opportunity for them to clarify any content that they are not 100% confident with. The next round of mock exams will take place in March, therefore, this is a good opportunity to begin planning and preparing for these very important exams.

As always, your support is much appreciated and do feel free to contact me should you have any questions.

Yours sincerely

Mrs C Meakin
Head of Geography
