

March 2026

Dear Parent/Carer

The Year 12 beauty therapy students are invited to attend a free Dermalogica training day on Tuesday 28 April 2026 at the Dermalogica training centre, Derby. This trip is free and there is a maximum of 12 students able to attend. Therefore, places will be allocated on a first-come first-served basis. Please login to ParentPay to give your consent as soon as possible to secure a place.

During the day, students will be taught by Dermalogica expert educators, where they will have an interactive, hands-on experience day; 'Future Foundations'. Students will explore consultations, retailing and recommending skin solutions, skin analysis and face mapping and Pro Skin Treatments including performing a PRO skin 30 on each other. This training will be invaluable for their industry skills and will be fantastic to put on their CV. I strongly recommend students to attend this trip.

We will be leaving school via minibus at 8.15am and will return at approximately 4.00pm. Students will need to ensure that they bring a packed lunch with them. There are tea/coffee making facilities there and a fridge to store their food. **Please be aware that we have students who may be participating in this trip who have a serious nut allergy. Please avoid giving your son/daughter bagged nuts or products with a nut content, as even the smell can cause these students anxiety.** If your child is in receipt of free school meals and requires a packed lunch, please order one via ParentPay.

Students will need to wear their tunic, trousers, black socks and flat black shoes (not trainers or pumps), wearing minimal jewellery and hair up in a bun, as per our school salon expectations. The training is attended by many other beauty professionals and students will be representing the school and the salon. Therefore, they need to be calm, professional and respectful at all times. The students will be escorted by beauty teaching staff Miss Sidsaff and Miss Wright.

Yours sincerely

Mrs L McHugh
Teacher of Hairdressing and Beauty Therapy
