

March 2026

Dear Parent/Carer

Trip Day - Wednesday 22 July 2026

Following on from the success of our Trip Day last year, we are thrilled to unveil an even greater series of exciting and enriching school trips that promise to be both educational and unforgettable. These trips, which students have previously suggested through student voice and have been expanded due to their popularity last year, are designed to provide our students with unique experiences, foster personal growth and create lasting memories.

All trips are taking place on Wednesday 22 July and are open to all students in years 7-10. In order to give you time to discuss these with your child, we are giving you advance notice that the trips will go live on ParentPay on **Monday 23 March at 5pm**. The deadline for payments is **Friday 24 April**.

In order to secure a place for your child, the trip will need to be paid in full. As the number of places on each trip are limited, places will be available on a first-come first-served basis. Due to this availability, we cannot guarantee that students will be grouped with their friends so students need to be aware of this when making their decisions as payments are non-refundable. In the eventuality that the uptake on a particular trip is low, the decision may be made to cancel the trip. We hope that as many students as possible will be able to make the most of these opportunities, but for those who do not wish to, there will be activities organised onsite.

A reminder of the trips going live will be sent via Arbor. We highly recommend that if you haven't done so already, you download the Arbor app in order to get the notification instantly.

Below is the list of trips available, along with costs:-

Trip	Cost
Spring Lakes (aqua park, pedalos & beach)	£49
Cadbury World	£29
Roller World and cinema	£32

Once your child's place has been secured, further information will be sent out regarding the logistics of the day.

We do hope that your child is able to make the most of these wonderful opportunities.

If you have any questions, please contact your child's Achievement Team in the first instance.

Yours sincerely

The Achievement Teams
