

March 2026

Dear Parent/Carer

Your child has been invited to a bespoke Geography revision session on Monday 30 March 2026 from 1pm-3pm in J block, as part of the Easter School programme. Students have been carefully selected for the available intervention, with sessions limited in numbers. With this in mind, your support in ensuring your child's attendance would be greatly appreciated.

Yours sincerely

Mrs Shaw-Mellors
CTL for Humanities
