

June 2026

Dear Parent/Carer

WJEC Level 1 / 2 Award in Hospitality and Catering - Year 10 Mock Practical Exam - Monday 15 June

Year 10 Hospitality and Catering students are currently completing a mock version of their NEA (Non exam assessment)

As part of this, we have a practical element to our NEA, which is a two hour mock practical exam. Students have been told which day they will be completing their practical exam and your child is completing their exam on **Monday 15 June**.

Students have been researching and planning a dish which is suitable to meet the needs of the brief. As part of this practical, they will be required to cook the dish, plus side dishes/ accompaniments. All students have selected dishes and have chosen recipes that they will be using; they will need to bring any ingredients to H5 on the morning of their exam. We are currently working towards completing time plans, these are to be handed in by **Friday 12 June** so they can be checked in readiness for the exam.

Students will have a practical lesson before the exam on **Thursday 11 June**, where they can practice an element of their assessment.

In summary, students will need to have their dishes planned and ingredients ready for the day of the exam. Ingredients for Pupil Premium students will be provided. Please ensure that your child has everything that they need, even giving them a chance to practice at home beforehand if possible.

If you have any further questions, please don't hesitate to contact me.

Thank you for your support.

Yours sincerely

Mr Sobczynski
Teacher of Hospitality and Catering
