

5 June 2026

Dear Parent/Carer

Today students have received a new timetable for next week, which indicates which sessions they will need to attend. On Wednesday, Thursday and Friday, some students will be able to leave the school site early, typically at the end of period 4 (1:55pm). Please ask your child to show you their timetable, which indicates if they are in the group that will be leaving early on any of those days.

It is crucial that students follow this timetable and attend their intervention sessions where necessary. They need to be in the correct school uniform until the very last session. We appreciate that students from some schools in the local area may have already gone on study leave, but we stand by our decision to continue to provide intervention and revision sessions until the very end, which is reflected in us consistently achieving the best academic outcomes for students.

Key dates for Year 11 students are as follows:

- Monday 15 June - Last core exam for all students (Physics Paper 2)
- Wednesday 17 June - Last GCSE exam (Spanish writing)
- Wednesday 24 June - Leavers Assembly. Students should arrive via the hall gates at 9.15am. There will be no access to the site until this time.
- Friday 26 June - Year 11 Prom. Students to arrive at 6.00pm for a 6.30pm start.
- Thursday 20 August - GCSE results day. Students can collect results from the main hall between 9.00am and 10.00am.

Please note that for the leavers assembly, all students are expected to be in full uniform. They may bring an extra shirt to have signed after the assembly but any students not in uniform or those that have their shirts already signed will be expected to go home and change before they go into the assembly. Students will be given their leavers hoodies as they enter the assembly.
