

July 2026

Dear Parent/Carer

As we reach the final week of term, I wanted to update you on the exciting events happening in and around school.

Monday 20 July - Superstars Day

Our Superstars Day is a fundraising event where students will take part in a range of different activities. Half of the proceeds will go to [Spencer Superstars Foundation](#), which aims to raise money annually to support the students of Spencer Academies Trust to pursue their passions across a variety of disciplines such as: The Arts, Sports, Entrepreneurship, Science and Technology, Conservation, Wellbeing and Community Projects. The other half of the proceeds will go towards supporting Dean Lambert, an ex-member of staff from HGSA, who is currently battling a rare form of cancer. Further details can be found here: ['We want our friend to create memories with his kids while he's still here' - Nottingham Post](#)

The morning will see students take part in their normal routines, whilst the afternoon will be dedicated to raising money. Students will be permitted to wear appropriate non-school uniform or even fancy dress, by donating £1 to the cause. During the afternoon, students will have the opportunity to take part in a variety of activities including a penalty shoot out, carnival games and a gaming centre, along with the opportunity to purchase refreshments. There will also be a chance for students to use a range of inflatable activities. If you know of any medical reason why your child should not use these inflatables, please inform their achievement team.

To participate in what is sure to be a great day, there will be a small cost for these activities, which will be donated to the charities. Therefore, students may want to bring a small amount of cash.

Tuesday 21 July - Sports Day

Students should arrive at school wearing their HGSA PE kit, which will be their uniform for the day (a white HGSA polo shirt, navy shorts or leggings and white or navy socks). Throughout the day, students will complete four activities on rotation (athletics, football/benchball, rounders and rowing) and all students will be expected to actively participate in each event. As warm weather is anticipated, please ensure your child brings plenty of water and has sunscreen applied before arriving at school and additional sunscreen when needed for reapplication during the day.

Wednesday 22 July - Trip Day

If your child signed up for a trip, you will have received communication from the trip leader regarding logistics for the day. For students remaining in school, activities are planned and all students can celebrate the end of an excellent academic year. Students who are onsite are to wear their school PE kit.

Thursday 23 July - final day of term

The final day of term will be a non-uniform day, with the day being dedicated to celebrating the success of students, along with fun activities which the students will complete within their year teams. There will also be the much anticipated prize draw following on from the A Point cash in. The school day will finish at 1.00pm.

Further communication will be sent out before the end of term detailing logistics for September.

Yours sincerely

Mr J Wright
Assistant Principal
